

# SIGNATURE HOUSE NEWSLETTER AUGUST 2018

Firstly a Very big welcome to All You Lovely Readers.

The weather lately is proving a little difficult, but lovely. Remember, keep hydrated and sunscreen up, hats on everyone!

Some of you may have met our new activities organiser Kelly around the home, she is working alongside myself on activities, so if I am not around please don't hesitate to ask Kelly about anything.

We had our summer fete in July! Thank you to everyone who supported us, I was a little shocked when I heard we had raised just over £900. There were quite a few other events on around the area, so this was great!

We had Mark the piano man in, which all our residents have enjoyed as usual. A little dancing, old songs and residents who enjoyed the little sing along.

We had Magdalena in for some music and rhythm. As you can see some really enjoyed this, and others found it a little too noisy!

We have had creative clay in again, this month we have made tiles. Painted and they will look amazing I'm sure! We shall find out when they come back from being in the Kiln.

We painted Puffins this month in our creative minds session. We have found some pretty good artists within our group of residents....and some staff too. For Christmas we are hoping we will be able to design our own Christmas cards! Watch this space!

The residents meetings have all taken place, and went well.

For our fete, The mayor who visited our residents who were unable to come downstairs, and greeted many people who attended. A ball pool which adults and children enjoyed. The raffle and tombola. Maria one of our carers, daughter played the violin, and she absolutely stole, and captivated the audience with how amazing she is at such a young age. Well done Eloise! You are fantastic! Also Platinum dance group did some performances, some talented young dancers on the scene, well done girls. Thank you so much for coming.

Have a fantastic weekend everyone, we shall hand you over to Kerry, see you next week.
